Introduction

Welcome to the Student Management System (SMS) User Manual. This comprehensive guide is designed to help you navigate and utilize the features of our Student Management System effectively. Whether you are a new user or an experienced one, this manual will provide you with the necessary information to make the most out of our software.

Purpose

The primary purpose of this Student Management System is to streamline and automate various academic and administrative processes within an educational institution. Our software is designed to manage student data, track academic performance, handle admissions, manage attendance, and much more. By integrating these functions into a single platform, SMS aims to enhance efficiency, reduce manual effort, and improve overall management and communication within the institution.

Key Features

Our Student Management System includes a wide range of features tailored to meet the needs of educational institutions. Some of the key features include:

- **Student Enrollment and Admissions:** Simplify the process of enrolling new students and managing admissions.
- **Gradebook and Academic Performance:** Monitor and report on student academic performance.
- **Scheduling lectures:** Create and manage class schedules and timetables.
- **Communication Tools:** Facilitate communication between students, Lecturers, and Admin.
- **Report Generation:** Generate various reports for academic and administrative purposes.
- **User Roles and Permissions:** Manage access and permissions for different user roles such as administrators, Lecturers, and students.

User Roles

Our SMS supports multiple user roles to ensure that each stakeholder has access to the information and tools they need:

- **Administrators:** Full access to all system features and settings. They can manage user accounts, configure system settings, and oversee the overall operation of the system.
- **Lecturers:** Access to tools for managing classes, entering grades, and communicating with students and parents.
- **Students:** Access to their own academic records, schedules, and communication tools.

Getting Started

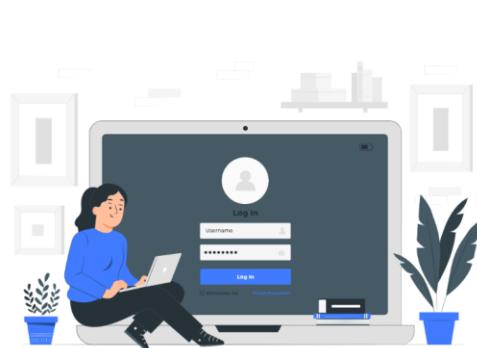

To get started with our Student Management System, follow these simple steps:

1. **Login:** Use your provided credentials to log in to the system.
2. **Profile Setup:** Complete your profile setup by entering the required information.
3. **Explore Features:** Navigate through the system's features using the main dashboard.
4. **Help and Support:** Refer to this user manual or contact our support team for any assistance.

Student Profile

1. Login

Student Information System

The login form consists of two input fields: 'Username' containing 'CL/HDCSE/PQR/112/04' and 'Password' containing '*****'. Below the form is a blue 'Sign in' button. At the bottom, there are icons for Instagram, Facebook, YouTube, and LinkedIn.

You have to enter your specific username and password into the space which is provided in the web browser. Username and Password will be given by the (Person who managing the students in the campus). After entering the correct data user need to click on the “Sign in” button.

2. Home page

The screenshot shows the homepage of the ABC CAMPUS system. Key elements include:

- Main functions Panel:** A sidebar on the left containing links like Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, and Vacancies.
- Main Notice Board:** A central area featuring a graduation photo and a notice about the "Exito Exhibition - 03rd and 04th of July" on 30 Jun 2024.
- Notice Board:** A separate box titled "Notice Board" with the same exhibition information.
- Home Button:** A button in the top right corner.
- Logout Button:** A button in the top right corner.
- Common Notice Line:** A box at the bottom right with the text "Exito Exhibition - 03rd and 04th of July | Please Check the Notice Board".

- Home button
- Logout Button
- Main functions Panel
 - All the Student Management features are in this panel.
 - **Welcome, Sample User:** Displays the logged-in user's name.
 - **Student Profile:** View and edit your personal details.
 - **Student Payments:** Submit and view payment details.
 - **Class Schedule:** Check your class schedule.
 - **Exams:** View exam schedules and details.
 - **Assignments:** Access assignment information.
 - **Viva Application:** Apply for viva examinations.
 - **Results:** Check your academic results.
 - **Notice Board:** View important announcements.
 - **Library Books:** Access the library catalog.
 - **Graduation:** Information about graduation.
 - **Memberships:** Manage your memberships.
 - **Course Modules:** Access course modules.
 - **Course Materials:** View and download course materials.
 - **Course Guidelines:** Check course guidelines.
 - **Message:** Send and receive messages.
 - **Call Center:** Contact support.
 - **Lecture Evaluation:** Evaluate lectures.
 - **Vacancies:** Check available vacancies.
 - **Live Search:** Use live search to find information quickly.
- Main Notice Board
 - This notice board will be providing specific information which is sent by administration from to specific Batch only.
- Common Notice Line
 - All the campus other Notices are displayed in this Common Notice Line

3. Student Profile

The screenshot shows the 'Student Profile' section of the ABC CAMPUS system. At the top, there's a navigation bar with icons for Home and Logout. On the left, a sidebar lists various student-related modules: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, Vacancies, and liveSearch. The main content area displays a user profile for 'Sample User' (Higher Diploma in Software Engineering). It includes a circular profile picture of a student in a graduation cap and gown, and two smaller university logos below it. The 'Personal Details' section lists the following information:

Student ID:	CL/HDCSE/PQR/I12/04
Batch No:	
Gender:	male
Date Of Birth:	
NIC No:	
E-mail:	sample@gmail.com
Contact info:	

The 'University Details' section lists the following information:

Awarding University:	PQR University
University Number:	15478962
Education Center:	ABC Campus Colombo

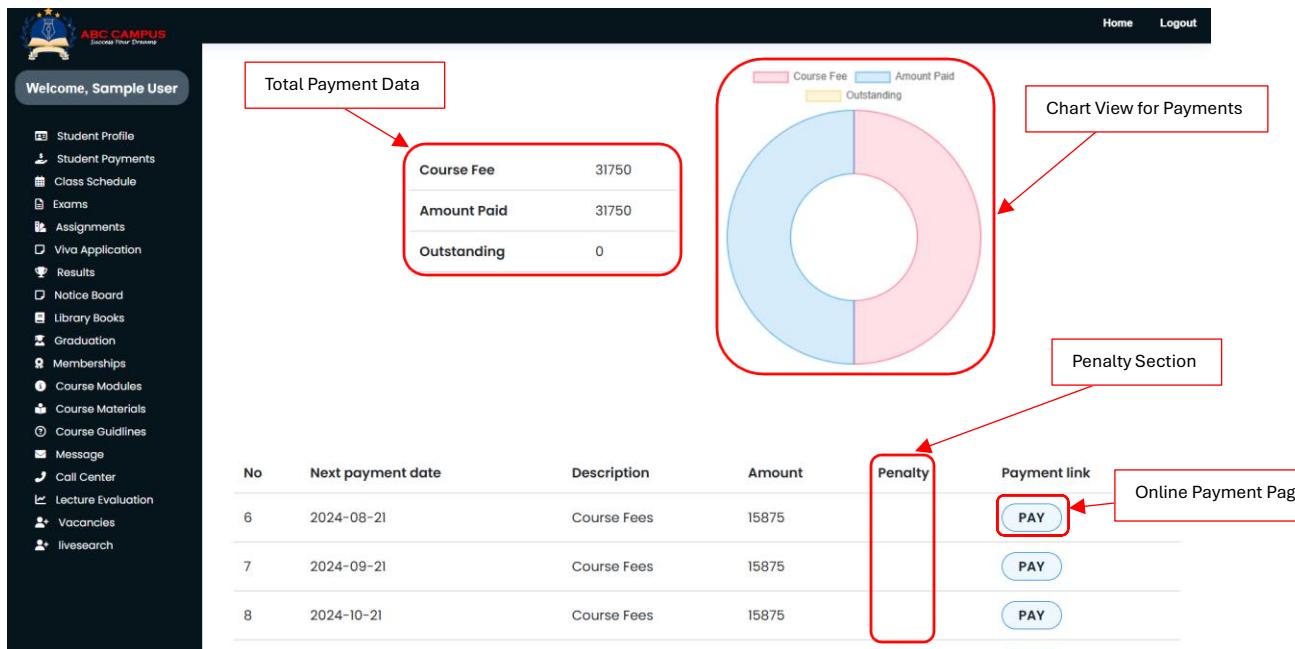

Student's personal details will be displayed here. Student can contact administration via this system to complain any personal details mistakes.

4. Student Payments

Main payment methods

1. Directly in the campus
2. Through the Student Management System
3. Through Bank Payments. (online transfers / Through CDM Machines / Using a cheque)
 - This method is calling as "Manual payment method".
 - After paying like any of these methods, user needs to upload that payment proof to the administrator of finance department.

Make Payments Tab

- Total payment data
 - In this table student's all (Total) payments data are calculated.
- Chart View for Payments
 - Same as the table data. User can get a quick understanding about the payments.
- Penalty Section
 - If a student fails to pay course fees up to the date, penalty fees will be automatically added to the next payment.
 - Note : Penalty fees will be decided by the campus administration / Finance department.
- Online Payment Page
 - User can pay through this system by clicking this "Pay" Button

Student Management System

Online Payment Page

The screenshot shows a payment interface for a monthly course fee of LKR 15,875.00. The page includes fields for email, card information (with sample numbers), cardholder name, country/region (Sri Lanka), and a checkbox for secure saving. A blue 'Pay' button is at the bottom.

Pay

Simply user can enter payment details to this page and click on pay. Payment will be received to the campus and also payment section will automatically updated at the same time.

View Payment Status

The screenshot shows a payment history table with columns: No, Paid Date, Description, Amount, and Payment Link. Three entries are listed, each with a 'PRINT' button.

No	Paid Date	Description	Amount	Payment Link
5	2024-06-30	Course Fee	15875	<button>PRINT</button>
6	2024-06-30	Course Fee	15875	<button>PRINT</button>
15	2024-06-23	Course Fee	15875	<button>PRINT</button>

User can see all his/her payment history in this page.

Upload payment Receipts Tab

The screenshot shows a web-based student management system. On the left, there's a sidebar with a logo for 'ABC CAMPUS' and a 'Welcome, Sample User' message. Below this are several menu items: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, Vacancies, and liveSearch. The main content area has a cartoon illustration of a person holding a smartphone next to a receipt. To the right is a large form for uploading payment receipts. It includes fields for 'Studnet ID' (with placeholder 'Your username'), 'Studnet Name' (placeholder 'Your name'), 'Payment Date' (a date picker set to 'mm/dd/yyyy'), 'Payment Amount' (a text field containing '\$363.99'), 'Upload File' (a button to choose a file with 'No file chosen' placeholder), and a 'Remark' section with a placeholder 'Leave a comment...'. At the bottom are 'Submit' and 'Cancel' buttons.

Payment Submission Form

- **Student ID:** Enter your unique student ID.
- **Student Name:** Enter your full name.
- **Payment Date:** Select the date of the payment from the date picker.
- **Payment Amount:** Enter the amount paid.
- **Upload File:** Upload proof of payment (e.g. : photo of the receipt and Screenshots of the payment confirmations).
- **Remark:** Add any comments or remarks regarding the payment.
- **Submit:** Submit the payment details.
- **Cancel:** Clear the form.

After submitting this form. System will be update by the finance department.

5. Class Schedule

The screenshot shows the 'Class Schedule' page for June 2024. The left sidebar contains a navigation menu with items like Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, Vacancies, and liveSearch. The main content area displays a calendar for June 2024 with days from Sunday to Saturday. The date '30' is highlighted in yellow. To the right of the calendar, there is a box for a specific class: 'Fundamentals in Programming' by 'Lecturer: Niroshani Perera' on 'Date: 2024-07-03' at 'Time: 09:00:00' in 'Hall: W250'. There is also a 'Notes:' section.

The "Class Schedule" page allows you to view your class schedule for the selected month. It provides detailed information about upcoming classes, including dates, times, and locations.

6. Exam Section

Exam Schedule

The screenshot shows the 'Exam Schedule' page for the 'Software Engineering Fundamentals - Practical Exam'. The left sidebar is identical to the Class Schedule sidebar. The main content area displays a blue box with the exam details: 'Software Engineering Fundamentals - Practical Exam'. Below this, the exam details are listed: Date: 2024-07-04, Time: 12:30:00, Location: E50, and Hours: 4.

Exam Submission

Submission is not available every time. It is controlled by the management. Students can upload their submissions when they are allowed to submit.

The screenshot shows the 'Exam Submission' page for a practical exam titled 'Software Engineering Fundamentals - Practical Exam'. The page includes fields for Date (2024-07-04), Time (12:30:00), Location (E50), and Hours (4). A note at the bottom states: 'Submission is not allowed for this exam at the moment.'

After allowing for submissions

The screenshot shows the same 'Exam Submission' page as before, but now it allows submissions. A red box highlights the 'Select submission file.' input field. Arrows point from this field to the 'Choose File' button (which shows 'No file chosen') and the 'Submit' button. The 'View' button is also highlighted with a red box.

When the submission is allowed. First select the specific file which is needed to be submitted. Then click on submit button.

If user wants to view the submitted files again, just click on View button.

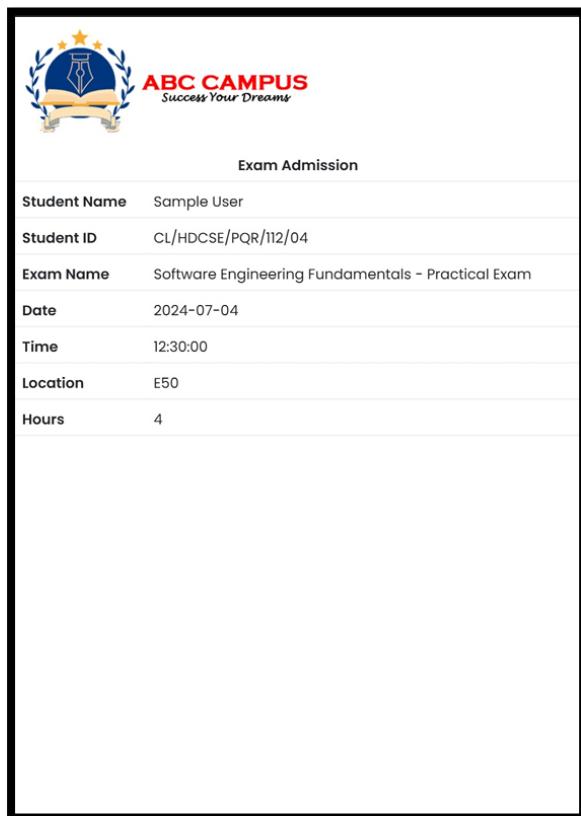

Exam Admission

The screenshot shows the 'Exam Admission' page within the 'ABC CAMPUS' system. On the left, there's a sidebar with a logo and a list of navigation items. A red box highlights the 'Print' button at the bottom of the admission card, with an arrow pointing to it from the text 'Print Button'. The admission card itself contains the following details:

Exam Admission	
Student Name	Sample User
Student ID	CL/HDCSE/PQR/112/04
Exam Name	Software Engineering Fundamentals - Practical Exam
Date	2024-07-04
Time	12:30:00
Location	E50
Hours	4

User can download this document as a pdf and use as the admission using Print button.

Sample admission.

7. Assignment Section

Assignment Schedule

The screenshot shows the 'Assignment Schedule' section of the Student Management System. On the left, there is a sidebar with a logo for 'ABC CAMPUS' and a welcome message 'Welcome, Sample User'. The sidebar contains a list of navigation links: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, and Vacancies. On the right, the main content area is titled 'Assignment Schedule'. It displays a single assignment card for 'Fundamentals in Programming'. The card includes the module code 'CSE1002', the date of issue '2024-07-03', and the final date '2024-07-04'. A red box highlights the 'View Assignment' button, which is also highlighted with a red arrow.

In this tab, user can view all of the assignments which is currently on active. By clicking on the “View Assignment” button, user can download the assignment file.

Assignment Submission

The screenshot shows the 'Assignment Submission' section of the Student Management System. On the left, there is a sidebar with a logo for 'ABC CAMPUS' and a welcome message 'Welcome, Sample User'. The sidebar contains a list of navigation links: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, and Vacancies. On the right, the main content area is titled 'Assignment Submission'. It displays a single assignment card for 'Fundamental in Programming - Course Work'. The card includes the module name 'Fundamentals in Programming', module code 'CSE1002', and submission date '2024-07-04'. A message states 'Submission is not allowed for this assignment at the moment.' A red box highlights the 'View Assignment' button, which is also highlighted with a red arrow.

Student Management System

After allowing the submissions

The screenshot shows the 'Assignment Submission' page. On the left, a sidebar lists various student management options like Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, Vacancies, and Iivesearch. The main area has two sections: 'Submitted Assignments' (which is empty) and 'Not Submitted Assignments'. A specific assignment entry for 'Fundamental in Programming - Course Work' is highlighted with red boxes and arrows. A red box labeled 'Select submission file.' points to the 'Choose File' input field. A red box labeled 'Submit button.' points to the 'Submit' button. A red box labeled 'View Button' points to the 'View' button. A note at the top right says 'Please note that when renaming your document, use your userna'.

When the submission is allowed. First select the specific file which is needed to be submitted. Then click on submit button. If user wants to view the submitted files again, just click on View button.

After submitting the assignment.

The screenshot shows the 'Assignment Submission' page after a successful submission. A green success message at the top states 'Your document was submitted successfully.' The main area now shows the 'Submitted Assignments' section, which contains the previously highlighted assignment entry for 'Fundamental in Programming - Course Work'. The assignment details are: Module Name: Fundamentals in Programming CSE1002, Module Code: CSE1002, Date: 2024-07-04. The 'Choose File' input field shows 'No file chosen'. Below the assignment entry are 'Submit' and 'View' buttons. The 'Not Submitted Assignments' section is still empty, displaying the message 'No Assignments found for Higher Diploma in Software Engineering II2 - Group A.'

Submitted assignments are displayed in the “Submitted Assignment” Section. And others are display in the “Not Submitted Assignments” section until submitting.

Assignment Feedback

The screenshot shows the 'Assignment Feedback' tab in the Student Management System. The left sidebar contains a logo for 'ABC CAMPUS Success Your Dreams' and a navigation menu with items like Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, and Lecture Evaluation. The main content area has a header with 'ASSIGNMENT NAME', 'SUBMISSION DATE', 'RESULT', 'FEEDBACK', and 'VIEW SUBMISSION'. Below the header, there is a table row for 'Fundamental in Programming - Course Work' submitted on '2024-06-30'. A blue 'View' button is located to the right of the submission date.

All assignments feedback are displayed on this tab. User can get idea about lecturers feedback about their Assignments and Presentations.

Add Mitigation Request

The screenshot shows the 'Add Mitigation Request' form in the Student Management System. The left sidebar is identical to the previous screenshot. The main content area has a title 'Mitigation Form'. It includes fields for 'Assignment Name' (a dropdown menu labeled 'Select Assignment Name'), 'Module Code' (a dropdown menu labeled 'Select Module Code'), 'Date' (a date input field with a calendar icon), and 'Mitigation description' (a text area). At the bottom is a blue 'Submit' button.

To submit a mitigation request for an assignment, follow these steps:

- Assignment Name:** Select the relevant assignment from the dropdown menu.
- Module Code:** Choose the appropriate module code related to your assignment.
- Date:** Click on the calendar icon and select the date for your mitigation request.

4. **Mitigation Description:** Enter a detailed description of the reasons for your mitigation request in the provided text box.
5. **Submit:** Once all the fields are completed, click the blue "Submit" button to send your mitigation form.

Ensure all information is accurate before submitting to avoid any delays in processing your request.

View Mitigation Request

The screenshot shows a dark-themed web application interface. At the top right are 'Home' and 'Logout' buttons. On the left is a vertical sidebar menu with various icons and labels: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, Lecture Evaluation, Vacancies, and liveSearch. The main content area has a title 'View Mitigations'. Below it is a table with the following data:

Module Name	Module Code	Date	Description	Status
Fundamentals in Programming	CSEI002	2024-07-02	Sample Mitigation Due to Testing purpose	approved

User can see Mitigation Request's status through this page. Administrators will review each request and they will set the results “Pending” into “Approved” or “Canceled.”

10. Notice Board

The screenshot shows the 'ABC CAMPUS' student management system interface. At the top, there's a dark header bar with the logo 'ABC CAMPUS' and the tagline 'Innove Your Dream!' on the left, and 'Home' and 'Logout' on the right. Below the header is a sidebar on the left containing a 'Welcome, Sample User' message and a list of navigation links. The main content area on the right displays a table titled 'Notice Board' with one row of data.

Subject	Added Date	View
Exito Exhibition – 03rd and 04th of July	2024-06-30	View

This notice board is a bigger version of previous notice board which is located in the home page. User can see all details in the notice board using this section.

11. Library Books

This section is locked by default. To unlock this user needs to get membership by paying that specific fee. Membership also can get online (Through this system by using 13. Membership section)

Student Management System

Reserve Library Books

The screenshot shows a user interface for reserving library books. At the top, there's a navigation bar with 'ABC CAMPUS' logo, 'Welcome, Sample User', 'Home', and 'Logout'. Below the navigation is a search form with fields for 'Book Name', 'Author Name', and 'Category', followed by a 'Search' button. The main area displays a table of books with columns: Book ID, Book Name, Author Name, Category, Image, and Book Now. Each book row has a 'Book' button next to the image. A red box highlights the 'Search' button and another red box highlights the 'Book' button for the first book entry. Arrows point from these boxes to their respective labels.

Book ID	Book Name	Author Name	Category	Image	Book Now
I1	Clean Code	Robert Cecil Martin	Software Engineering	Book 01	
I2	Code Complete	Steve McConnell	Software Engineering	BOOK 02	
I3	Refactoring	Kent Beck	Software Engineering	BOOK 03	
I4	Introduction to Algorithms	Ronald Rivest	Software Engineering	BOOK 04	

User can search specific books using search category. After selecting a book by clicking “Book” button user can reserve that specific book for himself.

Manage Reserved Books

The screenshot shows a user interface for managing reserved books. At the top, there's a navigation bar with 'ABC CAMPUS' logo, 'Welcome, Sample User', 'Home', and 'Logout'. Below the navigation is a table of reserved books with columns: Book, Book Name, Image, Reserved Date, and Order Cancel. The table contains one entry: Book I1, Book Name Clean Code, Image Book 01, Reserved Date 2024-06-30, and an 'Order Cancel' button. A red box highlights the 'Order Cancel' button.

Book	Book Name	Image	Reserved Date	Order Cancel
I1	Clean Code	Book 01	2024-06-30	

User can cancel reserved book by click on cancel button. This will not charging any fees.

Computing project	CSEI016	2024-06-23	36	2
Mobile Application Development	CSEI013	2024-06-23	23	2

All course modules will be displayed in this page according to the user's course.

15. Course Materials

The screenshot shows the 'Course Materials' section of the system. At the top, there's a header with the ABC CAMPUS logo and links for 'Home' and 'Logout'. On the left, a sidebar menu lists various student services, with 'Course Materials' highlighted. The main content area features a heading 'Course Materials' and an illustration of a person examining a blue folder containing a plant, symbolizing research or study materials.

After adding course materials (By administrative)

The screenshot shows the 'Course Materials' section of the Student Management System. On the left is a sidebar with a logo for 'ABC CAMPUS' and a 'Welcome, Sample User' message. The sidebar contains a list of links including 'Student Profile', 'Student Payments', 'Class Schedule', 'Exams', 'Assignments', 'Viva Application', 'Results', 'Notice Board', 'Library Books', 'Graduation', 'Memberships', 'Course Modules', 'Course Materials' (which is highlighted in blue), 'Course Guidelines', 'Message', 'Call Center', 'Lecture Evaluation', 'Vacancies', and 'Research'. The main content area has a title 'Course Materials' and a table with one row. The table columns are 'Module Name', 'Module Code', and 'Topic'. The data in the table is: Module Name - Fundamentals in Programming, Module Code - CSEI002, Topic - Sample Course Material. There are two 'Download' buttons in the table row, both of which are highlighted with red boxes and arrows pointing to a label 'Download Button'.

Module Name	Module Code	Topic
Fundamentals in Programming	CSEI002	Sample Course Material

User can download course materials when it is available.

16. Course Guidelines

University Student Guidelines

- Attend all classes regularly and be punctual.
- Complete and submit all assignments on time.
- Participate actively in class discussions and activities.
- Maintain academic integrity by avoiding plagiarism and cheating.
- Respect the diversity of opinions and cultures among your peers.
- Utilize university resources such as libraries, labs, and counseling services.
- Follow the university's code of conduct and policies.

17. Call center

General contact details page

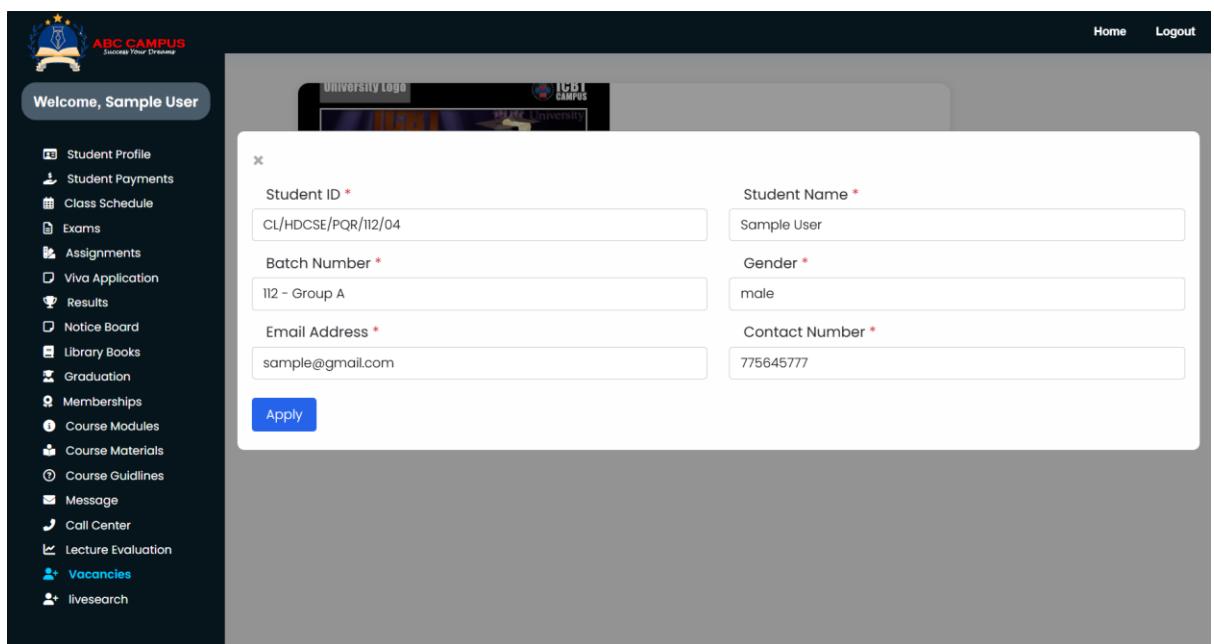

18. Lecture Evaluation

Student can evaluate lectures by submitting this form. This will help to improve their teaching skills and other mistakes and can get these data as a future reference as well.

19. Vacancies

User can simply apply to these vacancies using this apply button.

20. Live Search

This page is a online learning platform which is helps to student to learn anything he wants. To do that, search anything in the search box. Recommended is search using a keyword.

The screenshot shows the 'Search Articles' page. At the top right are 'Home' and 'Logout' links. Below them is a search bar with the placeholder 'Enter keywords...' and a blue 'Search' button. A red box highlights this search area, and a red arrow points from a callout box below it to the search bar, stating 'User can Search articles using this search bar.' On the left, there's a sidebar with a logo and the text 'ABC CAMPUS Success Your Dreams'. It contains a 'Welcome, Sample User' message and a list of 20 menu items, each with an icon and text: Student Profile, Student Payments, Class Schedule, Exams, Assignments, Viva Application, Results, Notice Board, Library Books, Graduation, Memberships, Course Modules, Course Materials, Course Guidelines, Message, Call Center, and Lecture Evaluation.

The screenshot shows the 'Search Articles' page after a search for 'Programming'. The search bar now contains 'Programming'. Below the search bar are two article cards. The first card on the left is titled '7 Highest Paying Programming Languages For Freelancers in 2022' and includes details: Author ID: vanshika4042, Last Updated: 18 Feb, 2022, Category: easy, and a 'Read more' link. The second card on the right is titled 'Do's and Don'ts of Self-Taught Programming' and includes details: Author ID: ishasharma9, Last Updated: 01 Feb, 2022, Category: easy, and a 'Read more' link. The left sidebar is identical to the one in the previous screenshot.
